The Parent and Student agree that Brunswick Secondary College reserves the right to make amendments to the Parent and Student ICT User Agreement at any time. The College also reserves the right to default or suspend access to ICT resources in the event of a breach to the terms and conditions set out in this agreement.

The Parent and Student consent to the following being made available on the College's online services:

- x Allow the personal information to be uploaded to these services as specified in Part B of this agreement including the data stored outside of Victoria
